

COLD SPRINGS CANYON PROJECT

The ski area within the ski area. A special place to glide down a wide-open bowl, navigate through trees, and test your skills down steep chutes. This is the proposed Cold Springs Canyon project area that will expand the skiable terrain by 380 acres at Sun Valley Resort.

When the project is complete, it will include replacing the resort's oldest chairlift, Cold Springs (#4), with a detachable quad, providing a seamless transition to The Roundhouse for a bite to eat or to the Roundhouse Express gondola and Christmas (#3) chairlift. For those who prefer groomers and gradual pitches, the Lower Broadway run is being extended 3,400 feet, lined with highly efficient snowmaking guns, all the way to the new Cold Springs lift lower terminal. Construction may begin as early as Summer 2018.

Emergency Telephones located at all Lift Stations

The difficulty ratings assigned to trails at Sun Valley are based on difficulty relative to other trails on the same mountain. Users of all ability levels should begin with easier trails before advancing.

Bald Mountain is located in the Sawtooth National Forest and on public lands managed by Twin Falls District-BLM. Sun Valley operates under a Special Use Permit from the U.S. Forest Service.

LEARN THE TYPES OF TERRAIN

Sun Valley's Dollar Mountain and Bald Mountain encompass very diverse landscape. It is important to understand the different terrain offered in order to use it safely alongside all other mountain guests.

“GO WITH THE FLOW” TERRAIN

These areas of the mountain are for a more relaxed and social atmosphere designed to accommodate the widest range of skiers and riders. A “Go with the Flow” approach sets the tone for an inclusive, fun, and welcoming environment for all ages and ability levels.

FREESTYLE TERRAIN

Freestyle Terrain, as opposed to groomed runs, can contain jumps, hits, ramps, banks, boxes, rails, and other man-made features. The orange “Smart Style” symbol identifies freestyle terrain on the mountain—it's important to understand the “Smart Style” safety guidelines in order to use this terrain safely.

- Start Small:** Every time you use freestyle terrain, make a plan for each feature you want to use. Your speed, approach, and take off will directly affect your maneuverability and landing.
- Look Before You Leap:** Scope around the jumps first, not over them. Know your landings are clear and clear yourself out of the landing area.
- Easy Style It:** Start small and work your way up (inverted aerials not recommended).
- Respect Gets Respect:** From the lift line through the park.

FAMILY AREAS

These special areas of the mountain provide a slower and more relaxed atmosphere designed to accommodate the widest range of abilities. Safe travel and avoiding uncomfortable situations sets the tone for a courteous, “Go with the Flow” skiing and riding experience.

SLOW ZONES

Sun Valley's Slow Zones require very slow travel at all times. These high-use areas, attracting a diverse set of abilities, are monitored by mountain staff who enforce slow skiing/riding. Please join us in extending courteous, comfortable and safe recreation to everyone who shares Sun Valley's Mountain Community.

KIDS ADVENTURE TRAILS

Baldy's Adventure Trails network offers fun, forested trail-skiing and riding for kids to practice their skills and enjoy nature. The trails are filled with natural turns, twists, and rollers for all to enjoy.

Mountain Amenities

Whether you're here for relaxation or exhilaration, you'll find plenty to do in Sun Valley. From exploring our shops and on-mountain dining options to taking endless laps on our high-speed quads, there's something for everyone in Sun Valley.

Mountain Dining & Lodges

Bald Mountain boasts five deluxe day lodges—three of which are perched over 7700 feet up the mountain with stunning 360° views. You can rest your tired legs, sip a cup of cocoa, dine on world-class cuisine, or relax to live music during our weekly après ski concerts.

Lockers & Ski Storage

Located at River Run and Warm Springs, our beautiful ski lockers offer hassle-free, conveniently accessed ski and gear storage. Equipped with boot dryers, hooks and a plethora of amenities including private access, lounge, bathrooms with showers, towel service and discounts on tuning and repair and retail items in all Sun Valley stores, this locker is a must have for all Bald Mountain skiers.

Shopping

Being in the mountains doesn't mean leaving luxury shopping behind. Both River Run Plaza and Warm Springs base area offer the finest in performance and designer apparel. Stop by Pete Lane's and Brass Ranch for all of your ski and sportswear needs.

Roundhouse Express Gondola

The new state-of-the-art gondola on Bald Mountain travels 2,000 vertical feet in eight minutes, from the base of River Run Plaza to Roundhouse Restaurant. Load your skis or simply take the ride for exquisite views and fondue by the fire!

Dollar Mountain Child Care

For future skiers between three months and five years old, KinderCare in Carol's Dollar Mountain Lodge provides fun activities for children from a full-service, licensed, and certified staff. Please call 208.622.2009 for reservations (recommended). Visit sunvalley.com/mountain for more information.

Mountain Programs

Bald Mountain's consistent pitch, lack of lift lines and variety of terrain have earned it a reputation as one of the world's finest ski mountains, for all levels of skiers and riders. Here are a few different ways you can explore and enjoy all Baldy has to offer:

“Experience Cold Springs” Guided Tours

The process of the new Cold Springs Canyon project on Bald Mountain, opening up 380 new acres of new terrain, is already underway! This winter, you can enjoy a preview of the area by Sun Valley's professional mountain guides. Together, they will be leading advanced skiers on a tour of the exciting and variable new terrain (not recommended for snowboarders). 208.622.2289 | sunvalley.com/futureplans

Sun Valley Heli Ski

A vast territory covering three mountain ranges provides unparalleled access to Idaho's legendary powder and terrain for all abilities. Sun Valley Heli Ski's world-class guides take you to some of the lightest and deepest powder in the Lower 48, on an adventure you'll never forget. 208.622.3108 | sunvalleyheliski.com

Fly Sun Valley Paragliding

There is no better way to see and enjoy the remarkable beauty of the Sun Valley area than from your very own “bird's eye” view. Fly Sun Valley's team of expert tandem pilots and instructors are prepared to introduce you to an unique aerial experience. All ages are welcome—individuals aged 3 to 93 have flown! 208.726.3332 | flsunvalley.com

Ski with a Ranger

Bald Mountain is your classroom and a U.S. Forest Service (USFS) Ketchum Ranger is your guide as you explore Baldy's history, current happenings, and future plans. Meets Tuesdays and Thursdays at 10:30 a.m. and 1:30 p.m. at Lookout Restaurant. Please call the USFS Ketchum Ranger District for more information. 208.622.5371 | fs.usda.gov

NEED A NEW FAMILY PHOTO?
Smiley's Mountain Photo offers professional portrait and action photography at the top of Baldy, Dollar, and Seattle Ridge daily from 10 a.m. to 2 p.m. (weather permitting). 208.216.9523 | smileysmtphoto.com

Sun Valley SnowSports

Innovation meets tradition in Sun Valley's world-renowned SnowSports programs. Private and group lessons for all ability levels are offered on both Bald Mountain and Dollar Mountain. Sun Valley's childrens' programs are unrivaled and are offered in group or private settings. Here are a few ways to get involved:

Go with a Pro

Our experienced, certified instructors and coaches are well-trained in effective skills development according to industry standards, as well as integrating the latest coaching techniques. “Go with a Pro”... What a difference!

Stop by a SnowSports School desk at any mountain base area. 208.622.2289 | sunvalley.com/snowsports

TRAIL MAP & GUEST GUIDE

WINTER SEASON | 2017–2018

Welcome

Welcome to the birthplace of destination skiing. With more than 3,400 vertical feet and over 2,000 acres of varied terrain, Sun Valley offers skiers and boarders something special on not just one mountain, but two—world-famous Bald Mountain (lovingly called “Baldy”) and Dollar Mountain.

Lift Hours

Bald Mountain lifts: 9 a.m.–3:45 p.m.
Access to Seattle Ridge & Baldy Bowls closes at 2:45 p.m.
Dollar Mountain lifts: 9 a.m.–4 p.m.

Lift Tickets

Lift tickets may be purchased daily at Dollar Mountain, River Run Plaza, or Warm Springs Plaza between 8:30 a.m. and 3:30 p.m. Tickets for Bald Mountain may be used at Dollar, and tickets for Dollar may be upgraded at any ticketing location. Half-day ticket rates start at 12:30 p.m. Please check mountain and weather conditions before purchasing (no refunds or exchanges). 888.490.5950 | sunvalley.com/lift-tickets

Mountain Stats & Facts

| Bald Mountain | Dollar Mountain |
|---------------------------|-----------------------------|
| Base Elevation: 5,750 ft. | Base Elevation: 6,010 ft. |
| Top Elevation: 9,150 ft. | Top Elevation: 6,638 ft. |
| Trails: 100 + | Trails: 21 |
| Lifts: 10 + Gondola | Lifts: 4 + 2 Moving Carpets |

Getting Around

Mountain Rides provides free bus service daily to and from Sun Valley Village to Carol's Dollar Mountain Lodge, Baldy's River Run Plaza, and Warm Springs Plaza. With multiple stops in town, Mountain Rides will get you anywhere want to go. Download their app to see a current schedule and stops, as well as bus locations in real time. 208.788.RIDE | mountainrides.org

Free parking is available at all lift access areas. For Warm Springs Plaza overflow parking, head to the Park-n-Ride lot next to the YMCA on Warm Springs Road, and catch a Mountain Rides bus (departing every 30 minutes).

Member of the **MOUNTAIN COLLECTIVE™** destination resorts.

SAFETY FIRST

Your Responsibility Code

Skiing and snowboarding can be enjoyed in many ways. Alpine, snowboard, telemark, cross-country and other specialized ski equipment, such as adaptive equipment, may be found at Sun Valley. Regardless of how you decide to enjoy the slopes, always show courtesy to others. Be aware that there are elements of risk in winter sports that common sense and personal awareness can help reduce. Observe the code listed below and share with other mountain users the responsibility for a great mountain experience.

1. Always stay in control.
2. People ahead of you have the right of way.
3. Stop in a place that is safe for you and others.
4. Whenever starting downhill or merging, look uphill and yield.
5. Use devices to help prevent runaway equipment.
6. Observe signs and warnings and keep off closed trails.
7. Know how to use the lifts safely.

Be safety conscious and know the code. It's your responsibility. This is a partial list, officially endorsed by the National Ski Areas Association.

Blaine County Ordinance No. 86, Section 4

- Reckless mountain use prohibited: No mountain user shall ski or ride in a reckless or negligent manner.
- Entering a closed area is prohibited: No mountain user shall enter or go into any closed area.
- Duties of a ski lift passenger: No passenger shall board, stand up, or ride a ski lift in a reckless or negligent manner.
- Penalties: Any person who violates any of the provisions in Section 4 of this Ordinance is guilty of a misdemeanor and shall, upon conviction, be sentenced to a fine of not more than \$300, or imprisonment in the Blaine County Jail for a period of not more than six months, or both.

This is a partial list. Be aware. Ski with care.

Be Proactive

This is a mountain environment with many hazards and risks. By entering this environment, you assume and accept all associated risks. Be proactive! Educate yourself on the risks and be aware:

- Always ski or ride with a partner.
- The difficulty ratings assigned to Sun Valley trails are based on difficulty relative to other trails on the same mountain. Users of all ability levels should begin with easier trails before advancing.
- Sun Valley does not mark every hazard. Markings will not protect you from injury. It is up to you to avoid obstacles and hazards, marked or unmarked. Obstacles and hazards in this area include but are not limited to: variations in terrain, variations in surface or subsurface snow or ice conditions, bare spots, rocks, trees, other forms of forest growth or debris, lift towers and components thereof, and utility poles.
- Avoid deep snow and tree wells, as these areas expose mountain users to risk of snow immersion, injuries, and fatalities.
- Snowmaking and grooming equipment and vehicles may operate on and around the mountain throughout the day. Watch for and avoid these.
- Idaho Code states that collisions while skiing or riding, between any persons, are the responsibility of the persons involved, not of the area operator. Blaine County law requires that in the event of a collision, you stop to determine any injury and (unless released by the injured party) remain at the scene until Ski Patrol arrives.
- Though Sun Valley makes efforts to minimize risk of in-bounds avalanches, these natural events cannot always be avoided. Stay out of closed areas, do not ski or ride alone, and be aware of your surroundings. Call Ski Patrol immediately if you witness an avalanche.
- Areas beyond the ski area boundary are not patrolled or maintained, and Sun Valley assumes no responsibility for the safety or welfare of mountain users in these areas. Rescue in the backcountry, if available, is the responsibility of Blaine County Search & Rescue, a service often very costly to the user.
- These maps are renderings only. Actual conditions will vary. There are trees, rocks, cliffs, and other features that are not shown. Ski and ride with caution.
- Per Idaho Code Ann. § 6-1100, mountain users recognize and assume the inherent risks of winter sports in Idaho.

This is a partial list. Be aware. Ski with care.

Bald Mountain Travel Policy

- Uphill travel is NOT ALLOWED between 9 a.m. and 4 p.m. daily.
- Uphill travel is ALLOWED after 4 p.m. and before 9 a.m.
- All uphill traffic must turn around and descend by 9 a.m.
- All uphill traffic must wear reflective clothing and/or safety lights.
- Stay clear of all machinery.
- Adhere to all trail closures.
- For safety, please leave pets at home.

For more information visit sunvalley.com/mountainsafety.

For on-mountain emergencies, call **208.622.6262**.
