SUMMER AMENITIES

The line between work and play gets a little blurry in Sun Valley, Idaho—that tends to happen when you combine a business gathering with our award-winning summer activities in and around the resort.

The 20,000-square-foot spa, fitness center, and poolside café have everything you need to stay relaxed and rejuvenated throughout your stay. We also boast 45 holes of golf, over 400 miles of singletrack mountain

biking and hiking trails, 18 local art galleries, and regular Saturday night ice shows, featuring the biggest names on the Olympic skating circuit. The Sun Valley Pavilion, an architectural landmark of the West, has become the area’s cultural epicenter and “a music pavilion for the ages.” If you come for the summer, be sure to check out some of its featured musical events, like the Sun Valley Summer Symphony and Sun Valley Center for the Arts Summer Concert Series.
